WHAT WE INSTALL

Every surface, one crew

From a single bathroom to whole-home flooring, Flooring Trends handles floor and wall projects for residential and commercial clients.

Tile

Floor and wall tile for bathrooms, kitchens, entries, backsplashes and fireplace surrounds.

Hardwood

New hardwood installation for a warm, classic floor that lasts.

Sanding & refinishing

Bring tired hardwood back with sanding and refinishing.

Luxury vinyl plank

Durable, water-resistant LVP — a favorite for busy households and basements.

Laminate

Budget-friendly laminate installed clean and tight.

Carpet

Carpet installation for bedrooms, stairs and living spaces.

ABOUT

A local team that treats your home like a showroom.

Flooring Trends is a floor and wall remodeling company based in Littleton, Colorado, led by Samuel Oliveira. The team works on residential and commercial projects across the Denver metro.

Whether you're updating one room or redoing an entire level, you get a crew that installs every major flooring type — so you can choose the right material for each space without juggling contractors.
