Year-round lawn care to snow removal

SERVICES

Year-round care for lawns & landscapes

One licensed and insured crew for the work your property needs, spring through winter.

Lawn care

Regular mowing, edging and lawn maintenance to keep your yard sharp all season.

Landscape design

New beds, plantings and landscape updates designed for your property.

Sprinkler repair

Broken heads, leaks and coverage problems fixed so your lawn gets the water it needs.

Masonry & concrete

Hardscape, masonry and concrete work for walkways, patios and borders.

Tree work

Tree care and trimming to keep your landscape healthy and tidy.

Snow & ice management

Winter snow removal and ice management so your walks and drives stay safe.

ABOUT

Locally owned property care since 2017

Zamora's Lawn Care LLC is a licensed and insured landscaping and property care company led by Juan Zamora Hernandez. Since 2017 the business has grown to a crew of nine, taking care of lawns, landscapes and hardscapes across Littleton and the Denver metro.

Because the same crew handles summer lawn care and winter snow and ice, customers get one dependable team for the whole year.
