Subfloor prep & repair

A solid, flat base before tile goes down.

OUR FAMILY

Small team. Big pride in every grout line.

RMZ Tile is a small family business — a three-person team from a family of tile craftsmen, led by Bryan Ramirez, with around a decade of hands-on tile experience.

Because the business is family-run, the people you meet at the estimate are the people installing your tile. That's how RMZ Tile has earned a perfect 5.0 rating from its Thumbtack customers.
